**CAMC Health System**

Nearly 7,000 people work for companies within the CAMC Health System including: Charleston Area Medical Center, CAMC Foundation, CAMC Health Education and Research Institute and Integrated Health Care Providers, Inc.

**Charleston Area Medical Center**

CAMC, the flagship of the CAMC Health System, offers thousands of families convenience and accessibility through four locations: CAMC General Hospital, CAMC Memorial Hospital, CAMC Teays Valley Hospital and CAMC Women and Children’s Hospital. CAMC provides a continuum of care to patients and their families through a broad range of medical specialties including: bariatric surgery, fertility, facial and maxillofacial surgery, general and vascular surgery, infectious diseases, neurology, oncology, orthopedics, pathology, plastic surgery, urgent care, urology and urology/transplant.

**CAMC Foundation**

The CAMC Foundation is the fundraising organization for the CAMC Health System. The foundation accepts gifts from individuals, businesses and foundations to support programs and services at CAMC. In 2016, the foundation provided more than $3.5 million in grants for nursing and medical student educational assistance, research, programs that support underserved infants and children, new technology, adult and pediatric cancer care and more.

**CAMC Health Education and Research Institute**

The CAMC Institute provides continuing medical education, outreach education and research support to physicians, allied medical professionals as well as patient and consumer health service projects in West Virginia and the region. The institute also operates a school of nurse anesthesia affiliated with Marshall University as well as 12 graduate medical education residency/fellowship programs sponsored by CAMC and in affiliation with West Virginia University Charleston Division and the West Virginia School of Osteopathic Medicine. Additionally, CAMC sponsors pharmacy residency programs and a clinical psychology internship.
