CAMC Foundation

The CAMC Foundation is the fundraising organization for the CAMC Health System. The foundation works with donors to secure current and future financial support that helps improve the health of the people in West Virginia. In 2024, the foundation provided more than \$7 million in grants to support patients, families, CAMC employees, and programs and services provided at CAMC.

Vandalia Health

In September 2022, Charleston Area Medical Center and Mon Health System created Vandalia Health, a multi-state health system with locations across West Virginia as well as in Maryland, Pennsylvania and Virginia. In December 2023, Davis Health System joined Vandalia Health. It is made up of 17 hospitals (14 plus 3 affiliates), over 190 outpatient locations, more than 13,000 employees and more than 2,000 doctors and advanced practice providers. For more information or a map of locations visit vandaliahealth.org.
